#### **Commandant: Joe Patrick:**

Marines

Thanks to all who attend (Skip) Niszczyk Funeral service, He will be missed. Thanks to Sr. Vice Bill McCrudden for the Great job standing in for me when I was at the National meeting.

Marines as you may or may not know, Pat Scannell has stepped down as Chairman of the Golf committee, We all know Pat has put his Heart and Soul into this for the last three years. Let's all send Pat a job WELL done !!!

#### **New Chairman for the committees below:**

Golf - Paul Robinson  
Toys for Tots - Bob Fudala

Bob Will be attending school for Toy for Tots in VA. Starting 9/12, when he returns, the work will begin. So let's all get ready to roll up our sleeves to give the Children a Merry Christmas.

Marines, the Golf Outing and Toys for Tots are very tough and demanding jobs. I know we all will chip in and help to keep both programs strong for many years to come.

Thanks in advance for your help. Joe Patrick

## **Senior Vice Commandant: *Bill McCrudden***

Marines, another has come and gone. Before you know it, Christmas will be here and we'll all be another year wiser ( well some of us will be) and older. Speaking of Christmas, I'd like to echo our Commandant's plea for help this year for the Toys For Tots campaign. **WE NEED ALL THE HELP WE CAN GET.** The more Marines help, the easier the workload will be for all, even if it's only a couple of hours each week.

A well done to Bob McCarty and the Marines who cut grass, weed wacked and generally cleaned up at the Bunker on September 3rd.

Semper Fi  
Bill McCrudden, Senior Vice

## **Junior Vice Commandant: *Bob Moran***

## **New Members**

No new members this month

## **Building/Grounds**

Thanks go to the following for the work detail on September 3rd: Ed Link, Mo Loveland, Bob Moran, Ed O'Flynn & Bob McCarty. They weedwacked, cut the grass, weeded the flower bed, sprayed weed killer around horseshoe pits & other areas, cleaned up some debris around the trailers, blew grass clippings & pine needles off the street. Property looks good for now. We'll be having another work detail to prep for the upcoming BBQ. We'll get the word out on the date & time, hope to see you there.

Semper Fi, Bob McCarty

The gas company application has been submitted for the new heating system. At this time the 2nd floor insulation is about 85% completed and should be finished by the upcoming meeting.

## Scouts

Seven scouts attended summer camp earning 25 merit badges. Great job. Three scouts are currently working on their Eagle Scout projects. Two in progress and one in the planning stage. Good luck to them all and keep up the good work. The troop will be attending a fall camporee at Egg Harbor City lake in October. The troop is also working on the bicycle merit badge, they have a 25 & 50 mile bike ride to finish it up. They'll be working on that in conjunction with a campout at Bass River state park. The troop has fourteen scouts at this time. As always they plan on helping us at the upcoming SOS breakfast.

FYI,

Attended Eagle Scout Court of Honor this afternoon (Saturday, Sept. 7th.) for Nick Della Vecchia. Nice ceremony, well attended, received numerous congratulatory awards. I did not go to the dinner reception afterwards. The scout's grandfather is a Korean War Marine, Corsair aircraft hydraulic mechanic. Very interesting to talk with, asked about joining the League, we'll see. The scoutmaster said they will probably have another Eagle Court of Honor in October, he promised he'd give me more notice not last minute like this one.

Semper Fi, Bob McCarty

## Kitchen

**Reminder:** There won't be any food served after the meeting in Brigantine on the 12th. of September. Thank you gentlemen! Mario

Volunteers are always needed in the kitchen. Let Mario know if you can help. A kitchen Team with meeting & event setup, take-down, Mess and kitchen clean-up duties needs to be formed. The more members we get on the team, the less work they will all have to do. Team work pays off and benefits everyone.

**On a Personal Note:** I have my condo for sale in Brigantine; if anyone is interested .....I intend to move in January if I can sell it. Being a musician, I have a large collection of 33 1/3 albums, all perfect shape....classical, Jazz, country; you name it.....it saddens me to no end but I want my fellow Marines to have precedence to my furniture, etc. I have 25 years of USMC stuff to pick from. Mario

## Road Clean-Up

Road Clean-up: There will be a road clean-up this month, Saturday September 14 starting at 0830 rain or shine. Hope to see a good turnout, please bring bug spray for ticks & chiggers.

Marines, the following is the list for the 2013 Run For the Fallen. There are 11 stops in Galloway/Port Republic of these; 3 are for Marines, stops 4-6. My feelings are to have a couple League members at these stops to honor the fallen Marines. Uniform of the day? Last year we (Jim Dunbar, Norma Jean, Ron Powell, Dick Bullock and myself) were at the Elks Lodge location. Hopefully we can bring this up at the September meeting in Brigantine under New Business or Good of the League.

## **Actor Gary Sinise becomes an honorary Marine**

**Thank you to Gary for all that he does for our troops.**

Gary Sinise, the actor who played Lt. Dan in the 1993 movie “Forrest Gump,” has been named an Honorary Marine. Gen. James F. Amos, the Marine Corps commandant, said Sinise earned the recognition because of his efforts to support military veterans. “There is little I can say to enhance the rich reputation Gary Sinise has earned,” Amos said during a ceremony at the Marine Corps Barracks in

# News from The Bunker

Washington, D.C., on Thursday. “What I can do, what I am privileged and proud to do, is to recognize this humble patriot’s selfless service by making him an Honorary Marine.” According to a Marine Corps press release, Sinise was “totally surprised” by the honor he received. “I’m humbled, shocked, moved and motivated to keep standing up for our men and women (in uniform) and giving back to them,” Sinise was reported as saying. Sinise, who regularly performs with his band, The Lt. Dan Band, also heads The Gary Sinise Foundation, which exists to honor “defenders, veterans, first responders, their families, and those in need,” according to the foundation’s website. “We do this by creating and supporting unique programs designed to entertain, educate, inspire, strengthen, and build communities,” the website said.

According to the Marine Corps release, other notable people who share the title of Honorary Marine with Sinise are actor Chuck Norris and Pulitzer prize-winning photographer Joe Rosenthal.
